## **CENTRAL STATES CONVENTION**

**May 13 - 14 - 15**

**Hotel Book Cadillac**

**Detroit, Michigan**

The Detroit Coin Club will be hosts to collectors from the Central States organization, but collectors from all over the country are welcome and cordially invited.

This will be the outstanding event east of California in 1949. The Central States Numismatic Society is purely a social organization to bring collectors together in convention once a year to promote good fellowship, exchange ideas and display their collections for the enjoyment of all. Come - you will enjoy yourself. Ask anyone who was at Dayton last year.

## **AUCTION SALE**

For the fifth time since the organization of the Central States Club, I have been selected to conduct the Auction Sale. I am planning an outstanding Sale over a two or three day period. Several lots of choice material have already been consigned but we can still use a considerable amount of choice United States coins, Paper Money or other items. Consignments should be on hand before March 1st as plates will be made of important coins. This Sale offers an unusual opportunity for the collector desiring to dispose of his collection to the best advantage. Please write before sending in material. Terms—20% on general run of material; 15% on Gold and rarities. Payment in full thirty days after Sale.

The Cincinnati Club has arranged a full schedule of entertainment including a fine banquet and several surprises. It will be a meeting well worth attending. I extend a personal invitation to all my friends and customers to attend, no matter what part of the country you live in. You are very welcome and I will certainly enjoy the privilege of meeting you personally.

Interesting Excerpts from

## "HISTORY OF THE U. S. MINT"

"Charles II, it appears, was easily deceived in regards to the significance of the 'pine-tree shilling.'" Sir Thomas Temple, a friend of the colonies, adroitly presented one of these obnoxious coins to the irate Monarch, explaining that the tree was the "royal oak" which had saved his Majesty's life. Whereupon the king, laughing, denominated his trans-Atlantic subjects "honest dogs" and allowed the coinage to proceed.

### QUESTIONS AND ANSWERS

- Q. What is the story behind the Lima on coins of George II?
- A. The word Lima, which occurs on certain coins of George II of England, indicates that these pieces were coined in great part from silver captured by the two British privateers, "Duke," and "Prince Frederick." This capture occurred on July 10, 1745, when the above mentioned vessels took two ships belonging to St. Malo, which were returning from Lima.
